

My Profile

The “My profile” menu is meant for storing your personal data as a system user, password changing, and viewing your login history.

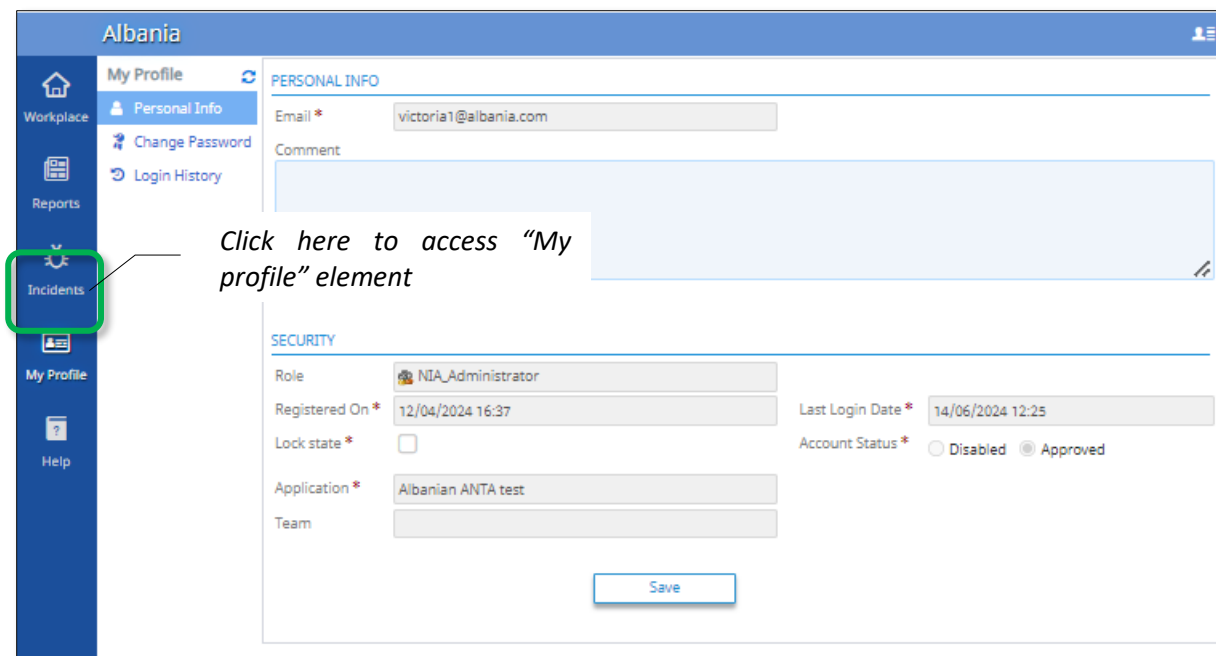

1.1 “My Profile” Elements

“My profile” is composed of the following interface elements:

- **Personal Info** – an interface where personal info and security data are stored. Here you can add your address details, and provide your first name and last name data. Once any changes in your personal info have been made don’t forget to click

The screenshot shows the 'ECMT Transport Licences System' interface. On the left is a navigation menu with 'My Profile' selected. The main content area is titled 'CHANGE ACCOUNT PASSWORD' and contains three password input fields: 'Current password: *', 'New password: *', and 'Confirm password: *'. A note below the first field states 'The password must be at least 8 characters in length'. An 'Apply' button is located at the bottom right of the form. Four numbered instructions with arrows point to the respective fields and the button:

- 1) Insert your current password in this field
- 2) Insert your new password in this field
- 3) Repeat your new password insertion
- 4) Click Apply button

- **Login Activity History** – the list of your last authentications in the system. Each authentication record contains date, time, login action that took place, IP address of the device that has been used to login the system:
